A Handbook describing the Rules and processes of the  
**Marist Association of St Marcellin Champagnat**

## Vision

We Marists are a vital faith community, an expression of Church that embraces God's mission with Marian joy, hope, and audacity. Our discipleship of Jesus Christ and the priorities of all of our ministries are inspired by the Gospel passion and compassion which fired Saint Marcellin.

We remain attentive to the God of all life, and we are committed to nurturing our spirituality through ongoing formation.

We draw on both Marist tradition and imagination to be game-changers for young people, particularly those most on the peripheries.

We foster connectedness and communion among ourselves as an Association, with the Marist spiritual family around the world, and with the wider Church of which we are part.

# About

St Marcellin Champagnat's ministry, and the spirituality that underpins it, is alive and well today all over the world. As well as the Brothers, thousands of Marist Lay persons are living out Marcellin's vision.

One great expression of this here in Australia is the **Marist Association of St Marcellin Champagnat**. It is a 'spiritual family' within the Catholic Church that is spread across the country and currently has over 900 Members – and growing. These are comprised of Brothers and lay people, males and females, young and not so young. Many Members have been directly involved in Marist work, in schools or ministries.

Members of the Association seek to live out their vocation in ways that are inspired by Marist spirituality and values. This means we seek to follow Jesus in the way of Mary.

# Family Spirit

“Wherever the followers of Marcellin are present, working together in mission, this “family spirit” is the Marist way of communal living. Its well-spring is the love that Jesus has for all his brothers and sisters – all of humanity. Through this spirit we offer an experience of belonging and union in mission.”
